

The time expanded. PHE10

Catálogo PHE 2010 en inglés

The new collection PHotoEspaña Books it begins with the Catalogue **PHotoEspaña 2010: Time**.

This year, **PHotoEspaña** gathers the experience of the time in its various visual meanings and expressions. This volume meditates about the contingent, the ephemeral, the unstable, practices related to the archive and the experience of memory.

Images by the main authors exhibited during the festival complement and support the theoretic frame.
