

Piret Raud, The Ear

A surreal story inspired by Vincent van Gogh's ear, by the award-winning children's book creator, Piret Raud.

When the Ear finds herself headless and alone, she doesn't know what to do. What will become of her? Where should she go? What should she do? Acutely aware of how small and insignificant she is in the big, wide world, the Ear experiences something of an identity crisis. She simply doesn't know who she is anymore. But thanks to a downcast frog with a heavy heart who simply needs listening to, she realizes what she can offer to the world: a sympathetic ear. Through helping her friends, she discovers a fresh perspective on life.
