

Delphine Chedru, Who's the Biggest?

Páginas: 32
Idioma: Inglés
Editorial: Thames & Hudson

An enchanting children's book that teaches how to interact with the book and the world.

Is the bear smaller than the mountain? Is the kitten bigger than the ball? Find out in Delphine Chedru's wonderfully illustrated book for preschoolers. The text invites children to chime in with who they think is bigger, and is a perfect stepping stone for kids on the brink of learning to read. The bright, graphic illustrations will catch the attention of children and parents alike and have everyone shouting for joy when they find out who's the biggest. Illustrated in color throughout
